PITCH AT THE BEACH is back with its 5th exclusive event bringing together the highest level of networking with entrepreneurs, business people, investors, representatives from public sectors, private sectors and governments from around the world!

This 3-day event will take place in Oeiras Valley, Portugal, a city 15min distance from the Lisbon international airport from July 2nd to July 4th, 2022 combining two of our favourite things...BUSINESS and the BEACH!

Our event will be filled with exciting keynote speakers, panels, workshops, excursions and 30 high-potential global startups who will be pitching in front of investors and evaluated on their startup's creativity, innovation, scalability and impact.
